Scholars are selected on the basis of their expertise and research interests. Scholars who have never reviewed for *AdI*, or are new in the profession, are encouraged to introduce themselves briefly when they request books to review.

All reviews are read by the Book Review Editors and will receive proofs with feedback.

In all your correspondence, please provide

your e-mail address, complete name, academic affiliation, and the complete address where you wish to receive the book to be reviewed.

As of the 2009 issue, *Annali* lists in the annual printed volume all the reviews, including titles of books and names of reviewers, and paginates all the reviews with consecutive page numbers. The reviews, however, appear only online, where the entire section of reviews (Bookshelf) is available as of 1998.
